## The limits of fiction

Comité d'organisation : Romain Bourdoncle, Sophie Grandsire-Rodriguez, François Recanati, Merel Semeijn

Ce colloque, en anglais, réunit des chercheurs qui explorent les limites du concept de fiction, ou les limites de la fiction elle-même. Les sujets abordés incluent la distinction entre fiction et non-fiction, la différence entre croire et concevoir, l'attitude fictionnelle, la périphérie de la fiction, la résistance imaginative, les inexacuitudes dans la fiction, le paradoxe de la fiction, et d'autres questions apparentées.
